Hello,

Below is an agenda for the Permian Basin coordination call this Wednesday. Regarding topic #2, [REDACTED] Ex. 7(E) I am attaching copies of the final inspection reports. Two reports need to be signed and dated in order to be fully finalized: the [REDACTED] Ex. 7(A) report needs signature and date for Nicholas Kohnen; the Mewbourne Region 6 report needs signature and date for Region 6 inspector and supervisor. Thanks to all who helped get the reports finalized. The next step is that they are to be released to the facilities in accord with [REDACTED] Ex. 7(E) [REDACTED] Ex. 7(E) See attached. I propose transmitting them via short cover letter from the supervisor identified in each report. If there are other thoughts on how to transmit, please let me know via email or on the coordination call.
